Conduct

We want everybody to have fun, be safe, and experience God's love. The key to everyone having a good time is respect. You are expected to respect the staff and your fellow campers. Be considerate of other peoples feelings and give everyone a chance, the best part of camp is the new friends we make.

Be prepared to take part in most of the planned activities (there will be lots of free time). You are expected not to leave the grounds and not to leave your dorm after curfew. Listen to the staff and try to be pleasant.

Smoking, drugs and alcohol are not permitted.

Campers who refuse to follow rules or respect the staff and other campers will be sent home. (at parent's expense)

Paintball Consent Form

As part of our program this year we will be playing Paintball. We are insured and will provide trained supervision with all the safety equipment required. Paintball is played outdoors and is a combination of 'capture the flag' and long range 'tag'. Paintball is a safe and fun sport but we require a consent form for any youth under 16 years of age. (Campers under 16 will **not** be able to play without a consent form. Paintball is **not** a compulsory activity.)
